It appeared on the same movable wing as the panel depicting another episode from the legend of St. Nicholas (55.85) and the scene of Christ Carrying the Cross (55.88)

Proveniencia

The museum purchased the panel on the art market at an unknown time.

Restaurálás

Dezső Varga, 1956: earlier overpainting was removed. Retouched areas using hatching (tratteggio) are visible on the panels, indicating an earlier restoration procedure.
