

Death of the Virgin Mary

Presumably a detail from the movable wing of a winged altarpiece

Artist	German workshop
Origin date	around 1490
Material	wood
Technique	carved
Sizes	magasság: 43,5 cm szélesség: 53,5 cm
Inventory No.	56.848.1

Description

The relief presumably adorned the feast-day side of a winged altarpiece. Its badly damaged surface bears burn marks; its polychromy has only survived in traces.

Provenance: unknown
